ACCOUNTS

Monthly Payments

Participation in the squad system is considered to be an annual involvement; therefore the total fees for the year have been averaged out to produce the monthly amount. The same monthly fee is payable for all 12 months of the year. Fees will be charged regardless of a swimmers attendance. The only exceptions are prolonged absences of **more than 2 weeks** through injury, illness or family commitments. There are no longer family discounts for squad swimmers.

Squad Charges

The training fee for this squad is: **\$140.00 (GST inclusive) per month**

Adjustments to Squad Accounts

If a swimmer suffers any serious injuries or illnesses, eg fractured limbs or glandular fever, which necessitate a prolonged absence from training of more than 2 weeks, consideration may be given to adjusting the account in the following month.

If your squad account needs adjustment, or there is a problem with the account, please complete the Squad Fee Adjustment form (available on <http://www.nunawadingswimmingclub.com/squads/squadfees.htm>) and return it to the NSC Finance Officer, Louise Martin. Louise will work through any adjustments with you.

In general all charges will stand and any corrections will be made in the following month.

EQUIPMENT

The equipment swimmers will require are flippers, goggles (plus a spare pair), kickboard, pool buoy, paddles, band, swim costume & cap. We ask swimmers to be at training at the commencement time, so they can complete the required dryland activities and be ready to dive in on time.
